

Title

Repair of Main Engine Parts

**How do you manage quality control
of repaired main parts?**

We have mainly been to supply our clients with new, genuine parts, however to support the needs of our clients, we have set up a technically qualified repair system for the following parts. (The repair history is controled with Charge No.)

- | | | |
|---|-------------------|--|
| 1) Cylinder cover | Welding repair | |
| 2) Piston crown | Welding repair | (Inconel also possible) |
| 3) Piston rod | Welding repair | |
| 4) Valve spindle and seat for exhaust valve | Welding repair | (Stellite, Colmonoi, Inconel, Nimonic also possible) |
| 5) Fuel valve, Fuel pump | Inspection/Repair | |
| 6) Fuel/Exhaust high pressure pipe. | Repair | |

Furthermore, we will be happy to discuss the repair of the other parts with you.
